Cupcakes -- they're not just for birthday parties anymore! These days, the sweet and bite-sized treats are making gorgeous gifts and unique dessert centerpieces at weddings around the world.

The creative folks at Cupcake Envy have taken the cupcake to a whole other clever realm! They ship these little pieces of art nationwide, and say many are actually sending them now instead of flowers or gift baskets.

The sky is the limit in terms of creating the cupcake of your dreams - here are a few of our favorite wedding-themed goodies:

### The bridal party!

Here comes the bride:

Wedding "takeout:"

The engagement ring:

Bridesmaid bag!

### Party favors!
